Arabesque Chest

Dancing quilt

The tessellating pattern of negative and positive images on front and end panels creates a lively and sophisticated piece. Inlaid design by artist Anne Storrs and furniture maker Michael McCallister.

This chest is constructed with solid and veneer cherry. Panels are composed of cherry and green dyed poplar veneers. The finish is a durable clear lacquer or, upon request, a hand rubbed organic oil finish.

The chest is made child safe with mechanical closers. It makes a distinctive end table or can be fitted with a cedar lining to serve as a blanket chest. Doubles as a comfortable bench.
