Chipmunk Chest

Seeds by day and nests by night

Chipmunks on the front panels pause with fir cones in hand. On the end panels, a chipmunk curls in its nest among the fir boughs, dreaming of acorns. Inlaid designs by artist Anne Warnock.

This chest is constructed with solid maple, along with maple and walnut veneers. Panels are composed of a maple background with a walnut inlay. The finish is a durable clear lacquer or, upon request, a hand rubbed organic oil finish.

The chest is made child safe with mechanical closers. It makes a perfect toy trunk or can be fitted with a cedar lining to serve as a blanket chest. Doubles as a comfortable bench.
