Alder Leaf Cube

Autumn leaves

A bold alder leaf decorates the four panels of the cube, one each in red, orange, gray and yellow against a black background. Inlaid designs by artist Anne Storrs.

Cube is constructed of solid walnut with dyed poplar veneer panels. Beveled frames around artwork reflect light and cast shadows that create a sense of depth. Finished in clear lacquer or optional hand-rubbed, organic oil.

Makes a perfect end or side table as well as a sturdy storage unit and comfortable seat. A distinctive addition to any living room, bedroom, den, family room or home office. This piece is fitted with a mechanical closer to make it safe for children's use.
