Dogwood Cube

Morris flower

A stylish dogwood flower blooms on each of the four panels. The blossom is made of yellow, blue and green veneers outlined in black against a natural walnut veneer background. Inlaid designs by artist Anne Storrs.

Cube is constructed of solid walnut with dyed veneer inlay. Beveled frames around artwork reflect light and cast shadows that create a sense of depth. Finished in clear lacquer or optional hand-rubbed, organic oil.

Makes a perfect end or side table as well as a sturdy storage unit and comfortable seat. A distinctive addition to any living room, bedroom, den, family room or home office. This piece is fitted with a mechanical closer to make it safe for children's use.
