Elephant Long Chest

Stroll with the elephants, play with the monkeys

Elephants on the front panels parade under a canopy of trees where monkeys pluck fruit and play. End panels show a moment of sharing: perhaps the elephant is offering a berry to the monkey, or the monkey has picked a choice leaf for its elephant friend. These delightful inlaid designs by artist Anne Warnock create a piece of timeless beauty.

Solid maple and veneer construction with walnut inlay. Finished in a clear lacquer or, upon request, a hand-rubbed, organic oil finish.

The chest is child safe and makes a perfect toy trunk or can be fitted with a cedar interior to serve as a blanket chest. Doubles as a comfortable bench.
