Ginkgo Long Chest

Botanical Beauty

Front and end panels snap with crisp ginkgo leaves in green against a natural maple veneer background. An exact replica of four different leaf stages, the pattern resembles delicate, pressed leaves in a botanical collection. Inlaid design by furniture maker Michael McCallister.

The chest is constructed with solid maple, along with maple and dyed poplar veneers. The finish is a durable clear lacquer or, upon request, a hand rubbed organic oil finish.

This chest is made child safe with mechanical closers. It makes a perfect toy trunk or can be fitted with a cedar lining to serve as a blanket chest. Doubles as a comfortable bench.
